

LIGHT, HOPE + LOVE

During December, 104.7 FM The FISH encourages listeners to nominate friends and family in need for The FISH Christmas Wish. This charitable program connects those going through intense hardship with individuals and businesses that want to help.

WALTON GAS WANTED TO HELP.

“The story of the Berry family tugged particularly hard at the heartstrings of our company,” said Walton Gas Communications Coordinator Savannah Chandler.

In early 2015, Dave Berry began to notice difficulties with his health. Like others, Dave was unaware his body was already battling cancer.

The weight of a household with three children and a cancer-stricken spouse landed on the shoulders of Dave’s wife, Shain.

As medical bills continued to pour in, Walton Gas assisted this family with bills, groceries and gifts.

“This has been one of the darkest seasons, but suddenly Walton Gas stepped in with light, with hope, and with love. It has truly saved Christmas, and it has saved a family,” said David Cypher, nominator.

“...Walton Gas stepped in with light, with hope, and with love. It has truly saved Christmas, and it has saved a family.”

Walton Gas selected the Berry family as a Christmas Wish recipient on 104.7 The FISH. Pictured are, from left, Hannah, Dave, Jonathan, David and Shain Berry.

Sweetheart skillet steaks

Steak Season steak the night before. Remove steaks from the fridge one hour before cooking. Add a few tablespoons of oil to a heavy skillet and place on high heat. Add steak to skillet and cook on each side for several minutes (depending on doneness preference and thickness of meat). When the steak is nearly cooked, add butter. Let the steak rest at least five minutes.

Levelized billing is sweet!

Levelized billing averages your gas bill each month to give your budget a break. It works like this: Add your current bill to the bills from the last 11 months – now divide by 12.

Your totals may be slightly higher during the summer, but you'll pay less in the winter when you're using the most gas. Your bill won't be exactly the same each month, but it should not vary by more than a few dollars.

If you've been with Walton for at least a year and have no outstanding balance, call 770.267.2505 to enroll today!

Walton Gas reserves the right to limit availability of this billing option. If a payment is late, your account is automatically removed from the program.
