SEE YOU AT THE AthHALF

On Oct. 23, thousands of feet will hit the pavement to compete in the 13th annual AthHalf Half Marathon on a course running through downtown Athens and the University of Georgia. The day before, the 6th annual 5K takes place. Proceeds from the races fund high-quality music and arts education programming for K-12 students in Athens-Clarke County.

Walton Gas has been a presenting sponsor of the AthHalf since 2019. Beyond financial support, several employees participate in the event that annually attracts nearly 3,000 participants and thousands of supporters.

“We want to give back and support the communities we serve, live in and work in,” said Sara Hodge, Walton Gas marketing specialist. “We continue to support the AthHalf Half Marathon because it’s such a great event that brings so many people together.”

Walton Gas invites customers and their families to register for one of the 2022 AthHalf races.

“When you run the AthHalf, you are directly impacting a child’s access to music and the arts,” said Hodge.

Find race details and registration forms at athhalf.com.

INTERESTED IN RUNNING THE ATHHALF?

Walton Gas customers can visit walongas.com/athhalf to enter to WIN 2 race registrations.

Entry deadline: Oct. 1

Buyer Beware

DO YOU UNDERSTAND THE CHARGES ON YOUR BILL?

If it looks too good to be true, it probably is. That's sage advice, especially for natural gas consumers these days.

With natural gas prices currently on a roller coaster ride, some marketers are taking advantage of consumer concerns by offering "incentives" that wind up costing them more, warns Jim Bottone, vice president of Walton Energy and external affairs.

"Don't be fooled by promotional offers like 'introductory' or 'discounted' rates. If you see a really low rate, it will probably only last for a short time. Before you know it, your rate will skyrocket, and by the time you realize it, you will already have your costly bill," he said. Hidden payment fees or higher monthly customer service fees often contribute to higher bills, too.

"Customers can count on Walton Gas to be a trustworthy provider that consistently delivers the best value for their natural gas dollar," Bottone said. "We're committed to being a trustworthy and transparent gas provider for all Georgians — no gimmicks ever."

Bottone urges Walton Gas customers to be proactive, educated consumers to ensure they're spending their energy dollars wisely. In this month's Walton Wise blog (wالتongas.com/walton-wise), he details charges found on a monthly Walton Gas bill and answers customers' most-asked questions about them.
