## Local Charities SCORE BIG!

“Every dollar sends kids with illness and disabilities to camp for the week of their life!”

— Dan Matthews,  
director of camping services at Camp Twin Lakes

Walton Gas awarded more than \$30,000 to three local charities during the University of Georgia’s homecoming football game on Oct.17.

Contributions came from new customer donations and the Kickin’ It for Charity campaign in which Walton donates \$500 for every successful Bulldog field goal.

“We take comfort in knowing that Walton is in this community, and supports our work in so many ways,” said Dan Matthews, director of camping services at Camp Twin Lakes. “From the incredible customer service we get as a member, to the generous support in a variety of areas – we are proud and grateful to be a part of the Walton family!”
